

**Sponsor a Banded Raptor**

Since 1994, RAPTOR, INC. has been banding the rehabilitated birds released back into the wild. Over a long period of time this will help us determine how successful our rehabilitation efforts are.

As a way to enable members to get involved in our efforts, we have begun the "Sponsor-A-Banded-Raptor" program.

Those sponsoring a bird will receive a fact sheet on the species they sponsor and an adoption certificate detailing your raptor's band number, release date, and vital statistics. If the bird you sponsor is recovered, you will be notified of the date and location of recovery.

All proceeds benefit RAPTOR, Inc. and your contribution is tax deductible.
